NAUSHEEN HALEELUR RAHMAN

Computer Science Graduate | Software Development | AI & Data

naus2005official@gmail.com | +971 55 848 1981 | LinkedIn | Github | Live Portfolio

First-Class Computer Science graduate with practical experience in software development, database management, AI and cybersecurity. Skilled in Python, Java, JavaScript and SQL with hands-on experience developing full-stack applications and implementing technology-driven solutions. A quick learner with strong problem-solving and collaboration skills, eager to contribute to innovative technology projects.

TECHNICAL SKILLS

Programming Languages

- Python, Java, JavaScript, TypeScript, SQL

Software & Web Development

- HTML, CSS, React, Node.js, Express.js
- REST API Development
- Full-Stack Web Application Development
- Android Studio, Mobile Application Development

Artificial Intelligence & Machine Learning

- Machine Learning Fundamentals
- AI Agents and Workflow Automation
- Prompt Engineering
- AI-Assisted Development

Databases

- MongoDB, MongoDB Atlas, Mongoose
- Oracle Database
- SQL and Database Management
- Database Design and Data Integrity

Cybersecurity

- AES-256-GCM Encryption
- PBKDF2
- Web Authentication (WebAuthn)

Tools & Platforms

- Git, GitHub, VS Code
- Firebase, Vercel, Render
- Figma, Android Studio
